An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Janik Marcovici on 10/27/09.

The application has been amended as follows:

Claim 1, in line 4 of the 7<sup>th</sup> paragraph (which begins "wherein the buffer transport") change "seated on a magazine support" to --seated onto a magazine support of the buffer transport--.

Claim 11, in line 4 of the 7<sup>th</sup> paragraph (which begins "wherein the buffer transport") change "located on a magazine support" to --located onto a magazine support of the buffer transport--.

Cancel claims 14-17,19,20,22,24-28 (cancel claim 14 and all its dependent claims).

The following is an examiner's statement of reasons for allowance: For the reasons argued by applicant and also since the known prior art does not have all the claimed limitations including the specific buffer transport limitations and it would not have been obvious to one of ordinary skill at the time the invention was made to have modified the known prior art to have all the claimed limitations.

Art Unit: 3652

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Scott Lowe whose telephone number is (571)272-6929. The examiner can normally be reached on 6:30am-4:30pm M-Th.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Saul Rodriguez can be reached on (571)272-7097. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
